FAQ

1. **When does the contest begin?**

IsaRally Bali kicks off on 2 October 2017 at 12:00 a.m. EST and ends on 10 December 2017 at 11:59 p.m. EST. Points are tallied cumulatively and starts accruing from 2 October 2017 onwards.

2. **Do Preferred Customers count as new customers?**

No, for the purpose of this contest your new customers must be new active Associates. You will also not receive points for a Preferred Customer that is converted to an Associate during the contest period.

3. **What happens to my points if new customers return their initial product order?**

All returns will be deducted from your overall points tally when the pak is received by our offices and recorded into the system. This means that points will not automatically be deducted when a return is initiated, however, the points may be deducted when the product is eventually received at Isagenix World Headquarters.

4. **How will my points be displayed?**

Individual points will be displayed a week in arrears (two weeks for Indonesia) on the IsaFYI's Winner Board.

5. **During IsaRally Bali, when do rank advancement points show up?**

Rank advancement points show up a week in arrears (two weeks for Indonesia), so you will notice the points the week after the rank advancement is achieved. Example: Jane Doe achieved Consultant on September 7, which will be paid on Monday, September 14. On Monday, September 21, Jane will be able to see the points added from her Consultant promotion, even though she earned her advancement two weeks earlier (i.e. Monday, September 7).

6. **If I'm a Singapore/Malaysia/Indonesia Associate and enrolled someone in another Isagenix Country, will those points count?**

Yes. Even though this contest is available in Malaysia, Singapore and Indonesia only, if you personally help a new Customer to sign-up in another market, you will receive those points accordingly.

7. **Can I bring my immediate family members or organization team members with me on the trip?**

Yes, you can bring your immediate family member or your PE downline only, if you earn double of the points for each tier. For example, an individual must earn 70 points to qualify for an all-expense paid trip. If the Associate wants to bring his/her immediate family member or PE downline, he/she must earn 140 points.
