How the Rally Works:

You can earn a trip to Nashville by building and strengthening your business through duplication in your team. This is a rally based on business volume ('BV') produced by all **NEW 4-Level Personally Enrolled Team members (4PET)** who enroll during the contest period.

TIER 1	TIER 2
<ul style="list-style-type: none"> Create your team: Bring together your team of four (4) and select a team leader. Teams can only have two Directors or above (based on recognition rank) per team. The Top 4 teams and Top 4 individuals from Team 4 and beyond with the highest BV generated from the NEW 4PET will qualify for the Tier 1 Prize In order to qualify for a winning spot, your new 4PET must produce a combined minimum of 7,000 BV. Even though you may be ranked in the Top 4 teams, you will not be eligible to win unless you reach this minimum threshold. Members must enroll a minimum of 6 new Personally-Enrolled Associates with a minimum of 100BV during the contest period. 	<ul style="list-style-type: none"> Top 30 individuals subsequently will qualify for Tier 2 prize. In order to qualify for a winning spot, your new 4PET must produce a combined minimum of 4500 BV. Even though you may be ranked in the Top 30 individuals, you will not be eligible to win unless you reach this minimum threshold. Members must enroll a minimum of 6 new Personally-Enrolled Associates with a minimum of 100BV during the contest period.
<ul style="list-style-type: none"> No single member of your new 4PET may contribute more than 75% of your total 4PET volume during the contest 	

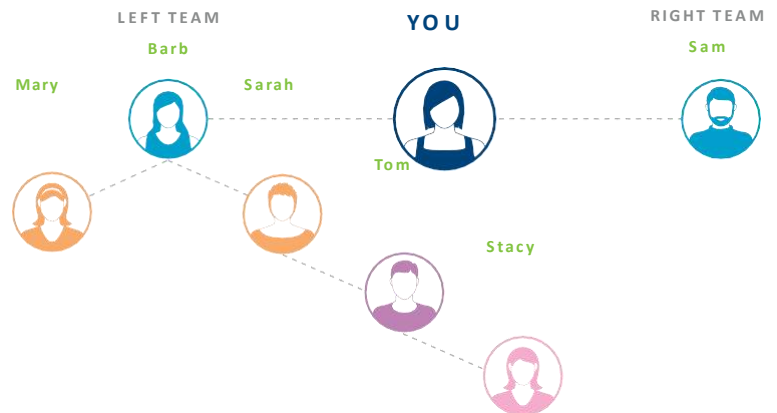

Building Your 4PET (4-level personally enrolled team)

To participate in the Rally, you will need to build a new 4PET - you enroll a new Associate, who then enrolls a new Associate and so on until the new team has four level beneath you. Any of your personally enrolled team members who were enrolled prior to the start of the Rally will not be included in your IsaRally 4PET – these must be completely new enrollments. (See FAQs for additional details).

4PET Example

You enroll Barb and Sam. Barb enrolls Mary and Sarah. Sarah enrolls Tom. Tom enrolls Stacy.

LEVEL	First	Second	Third	Fourth
TEAM MEMBER	Barb, Sam	Mary, Sarah	Tom	Stacy

Success in this challenge is all about the power of duplication! Link arms with 3 other team members to generate the most volume in the contest period.
